

ENTERTAINMENT TECHNOLOGY CONCEPTS

## **Declaration of consent for the storage and processing of personal data**

In order to fulfill our services for the event "Wacken Open Air 2022", Entertainment Technology Concepts GmbH collects the following personal data:

- First name, last name, name at birth
- place of birth
- nationality
- Address (business)
- Telephone number (business)
- E-mail address (business)
- Car license plate number (if arriving by car)

This data is stored on the server of Entertainment Technology Concepts GmbH and can only be viewed by authorized persons. We hereby assure that the data processing carried out by us is based on the applicable laws and is necessary for the conclusion of the contractual relationship. Beyond that, any further data collection requires the consent of the person concerned. If there is no longer any necessity, the data will be deleted immediately, at the latest after 3 months after signing this declaration of consent.

## **Data subject rights**

The undersigned has the right to revoke this consent at any time without giving reasons. Furthermore, collected data can be corrected, deleted or its collection and processing restricted if necessary. Upon request, you can ask for detailed information about the scope of the data we have collected at the address below. Data transfer can also be requested should the undersigned wish to have their data transferred to a third party.

## **Purpose**

The above-mentioned data will be processed internally for the fulfillment of a contract or for the implementation of pre-contractual measures (project management and subsequent communication) and transmitted to the client (broadcaster, event organizer, production companies or other clients of Entertainment Technology Concepts GmbH) for accreditation, creation of overall and daily schedules, staff lists, production registrations, etc..

## **Consequences of non-signing**

The undersigned has the right not to agree to this declaration of consent. However, since the performance of our services is dependent on the collection and processing of said data, failure to sign would preclude further cooperation.
